- increased safety
- customization possible

Lower your cost and increase uptime with Durwen ServicePlus-Technology

DSP-Technology is the Durwen ServicePlus performance that gives maximum utilisation with a minimum of maintenance and repair cost.

DSP-Technology allows quick and easy parts replacement by means of bolted modular key components.

DSP-Technology means:

- ▶ many common parts
- ▶ reduced maintenance costs
- ▶ wear parts with a first rate service life
- ▶ excellent product service life
- ▶ extended maintenance intervals
- ▶ reduced maintenance work
- ▶ maximum efficiency

The Durwen ServicePlus package is based upon decades of Expertise - Know How that benefits customers because DSP-Technology is extra profit without extra costs.

DSP-Technology means short, managed maintenance intervals and reasonably priced replacement spare parts.

DSP-Technology is enhanced profit technology.

PBK
ideal for regular use

PBK-CR
ideal inside containers
